- Reviewed Head Start guidance (current grantees –JCPS -only), Early Head Start guidance (open to new grantees for expansion), modifications to guidance for State Fiscal Stabilization Funds, and upcoming competitive grant in Teacher Quality Enhancement.
- New Louisville At Work project tracker to be released soon; Uof L also developing charts
- Discussion about state and local planning for the Race to the Top funds (\$4.35 Billion) and Innovation fund (\$650 million) that are discretionary for Secretary Duncan. State planning teams are developing. In other cities, local philanthropic communities are helping non-profits with audio-conferences, speakers, etc. Suggestions for Gheens or Casey to get involved. Decided to use the next meeting time, Tuesday, May 26, to convene a meeting to share ideas for local applications to the Innovation Fund. Ali Center interested in Young Men of Color accessing post-secondary; UofL College of Education and Human Development is interested in focusing on use of IPOD technology in instruction, etc. Will send out notices.
- Next meeting, Tuesday, May 26, 3:30-5:00 pm, Metro Hall, Room 106 – Agenda focused on Innovation: What Works fund.
